## WOODBURY PARKS COMMISSION MEETING MINUTES September 19, 2017

### Commissioners present:

**Chairman:** Fred Ungerer **Commissioners:** Willa Freiband, John Smith, Marty Nask, Denice daCunha  
**Recreation Director:** Joey Gianzero

The following issues were discussed:

1. August 2017 Meeting Notes: Approved
2. Review of 2017 Summer Season Attendance Reports
  - Camp Rez slightly lower enrollment than 2016
  - John P. Burke Pool - approximately 25% less than 2016
  - Rez - approximately 25% less than 2016

Several potential factors were discussed as possible reasons for attendance decline including weather, other options for summer activities, homes with pools, some families moving out of Woodbury, etc. It was agreed that we were not receiving complaints about services so could not attribute decline related to services.

Ideas to consider to better promote activities for next year include: postcard announcements of schedule, phone app, text message alerts, etc.

3. Halloween Party - Scheduled for October 28th. A schedule of events will be posted.
4. New building at Rez - walkthrough scheduled for September 21st at 10:00 AM
5. Options to rent out new building discussed,
  - Commissioners will review fees, applications for other room rentals
  - Commissioners will review community programs.
