1. Minutes from February approved/accepted.
2. Police Department Easter Egg Hunt is scheduled for April 8 from 9-11AM at Rez. Raindate will be April 15. Refreshments will be served. Groups will be organized according to age levels.
3. Renewal of passes and letters for employment/reemployment have been coming in.
4. Security for weekends is needed. A notice went out.
5. Walk through inspections will be scheduled as soon as the snow and ice melt. In the meantime, anyone who has a chance can walk through and note anything that needs attention.
6. Fence at Pool by vending machines needs repair. Tom Burke came up with some suggestions. The steps by Pool tennis courts still need repair. Research suggested to purchase some motion activated wireless cameras to be placed at sensitive areas at both locations. These are to be considered as an interim safety measure until a more comprehensive security system is approved.
7. Need for an additional maintenance hire for the summer.
8. Property for new building at Rez still under discussion. Issue between Town and Village. Grant money may be available for some elements of the construction.
9. Welcome Back Party scheduled for June 17 from 12-6 PM at Rez. Refreshments served and Hudson Blue will play.
10. OLD BUSINESS: John Smith purchased a kite and soaring plane as demos, which can be considered as activities for our Spring Fling Children's Day.

Meeting adjourned at 8:16PM
