Chief Watson:

Effective August 14, 2017, I hereby resigned from my position as a part-time Dispatcher with the Town of Woodbury Police Department. I am resigning because I recently began working full-time, as a Dispatcher, with the Ramapo Police Department and due to my schedule, I do not have the availability to work any part-time dispatch shifts.

The decision to resign from my position, was very difficult to make. I was hoping that my schedule at Ramapo Police Department, would have allowed me the time, to continue working part time at the Town of Woodbury Police Department, but unfortunately, things have not worked out that way.

I greatly appreciate the opportunity that was provided to me, over the past 4 years, by Chief Watson, Sergeant Phillips and all of the members of the department. Every time that I came to work, I felt like I was at my second home with members of my extended family. I am going to greatly miss working at my second home with my extended family.

On one final note, I want to thank the Town Board for making Kevin J. Watson the Chief of Police. In the short time that he has been in the position of Chief, morale is its highest level ever and more improvements have been made than all of the years under the previous administration combined. Thank you.
