**III. New Business:**

a. PBA Memorandum of Agreement:

money. Councilman Arone suggested the Village Mayor come to a meeting to speak to the Board about the proposal.

Motion was then offered by Supervisor Sutz, seconded by Councilman Hunter, to authorize the Supervisor to sign the required paperwork to be filed with the County to exchange property from the Town to the Village, and from the Village to Town, once prepared and reviewed by Attorney McKay.

**FAILED**            AYES            2            Sutz, Hunter  
                         ABSTAIN        3            Arone, Essig, Palermo

Councilman Palermo stated he feels this is a last minute discussion that the Mayor and Supervisor put forward and the Board should have time to discuss it. Supervisor Sutz stated the Board has discussed the issue in the past and he was authorized to move forward.

EXTRA ITEM - Schedule Public Hearing - Introductory Local Law 2 of 2017 - Taxpayer Protection Law:

Supervisor Sutz explained an entity has approached the Town about erecting temporary, portable cellular towers on Town owned property for a few years. This application before the Board will incur consultant costs and the town currently has no law in place to pass this cost onto the applicant like the Village does. Therefore, he presented to the Board a draft local law for consideration. The Board agreed this law was a good idea. A motion was then offered by Councilman Arone, seconded by Councilman Palermo, to adopt the following resolution of the Town Board of the Town of Woodbury setting a time and place for a public hearing on Introductory Local Law 2 - Taxpayer Protection Law:

**WHEREAS**, the Town Board wishes to set a time and place for a public hearing to consider Introductory Local Law 2 of 2017 entitled "Taxpayer Protection Act"; and

**WHEREAS**, the Town Board hereby determines that it will be the lead agency with respect to the review of the proposed local law (the "project") in accord with New York State Environmental Quality Review Act ("SEQRA") and part 617 of the regulations implementing SEQRA, since there are no other agencies that have the authority to approve the project; and

**WHEREAS**, the Town Board hereby preliminary classifies the action as an unlisted action under SEQRA;

**NOW, THEREFORE, LET IT BE HEREBY**

**RESOLVED**, that a public hearing shall be held by the Town Board in order to receive comments and suggestions regarding the proposed local law and to review any potential adverse environmental impacts of the proposed local law, on March 17, 2017 at 7:30PM at the Town Hall located at 511 Route 32, Highland Mills, New York; and it is further

**RESOLVED**, that the office of the Town Clerk is authorized and directed to cause public notice of said hearing to be given as provided by law.

- h. Library Minutes - February 7, 2017
- i. Parks/Recreation Minutes - January 17, 2017
- j. Budget vs. Actual - January 2017

**V. Public Comment:**

John Smith stated he feels the Building Committee should meet more often to work out the disagreement between the Highway and Parks Department property. The Parks Commission has seen the plans today for the proposed pre-fab building addition and hopes this conflict does not interfere with the plans. Councilman Palermo stated the property owned by the Town is also taxed to the Village of Harriman residents and if it is transferred to the Village of Woodbury then that is tax money that will be lost. Mr. Smith then noted the Board spoke about the K-9 issue at length during the February 13 worksession, specifically about the financial costs. He wanted to know if a common ground was established. Councilman Arone stated Chief Watson provided a sample coverage plan for the two, thirteen-week training sessions the officer will be out for and it appears to be a solid, workable plan. Mr. Smith asked if the Board conducted a need assessment for the K-9 program and he was told it was done via a presentation by Sergeant Phillips.

Justin Hunter stated he feels ever since the Village was formed it has been a mess since the Town never cleaned up its codes/rules. He feels that everything should be fixed and done so correctly. He feels the needs of the taxpayers must come first, not those of the Board members.

**VI. Board Member/Department Comment:**

Councilman Hunter thanked Sergeant Phillips and Chief Watson for all their work on the K9 proposal - which he was impressed with. He feels the canine will be able to do a lot of things that no human can do and he looks forward to implementing the program for both the Town and Village. He then congratulated Officer Iorio on becoming an EMT.

Councilman Palermo congratulated Chief Watson and Sergeant Phillips on successfully starting the K-9 program. This is a program he has wanted to see for several years and is glad that it is finally happening. He noted the canine will be able to do what three officers currently do when a bomb scare occurs at one of the schools. He thanked the Town Board for supporting the program.

Supervisor Sutz stated he is still trying to get a bus for Woodbury residents. He also noted bids are currently being solicited for the lift/bathroom improvements for the CV library.

**VII. Adjournment:**

With no further comments received or business to discuss, a motion was offered by Councilman Essig, seconded by Councilman Arone, to adjourn the meeting at 8:10PM.

- B. The United States of America, insofar as it is immune from taxation;
- C. Any corporation or association, or trust, or community chest, fund or foundation organized and operated exclusively for religious, charitable or educational purposes, or for the prevention of cruelty to children or animals, and no part of the net earnings of which inures to the benefit of any private shareholder or individual and no substantial part of the activities of which is carrying on propaganda, or otherwise attempting to influence legislation; provided, however, that

nothing in this paragraph shall include an organization operated for the primary purpose of carrying on a trade or business for profit, whether or not all of its profits are payable to one or more organizations described in this paragraph.

- D. A Permanent Resident of a Hotel or motel.

**§279-5 Territorial Limits**

The tax imposed by this article shall apply only within the territorial limits of the Town of Woodbury.

**§279-6 Registration**

- A. Within 10 days after the Effective Date of this article or, in the case of Operators commencing business after such Effective Date, within three days after such commencement or opening, every Operator shall file with the Supervisor a certificate of registration in a form prescribed by the Town Board.
- B. The Supervisor shall, within five days after such registration, issue without charge to each Operator a certificate of authority empowering such Operator to collect the tax from the Occupant and a duplicate thereof for each additional Hotel of such Operator. Each certificate or duplicate shall state the Hotel to which it is applicable. Such certificate of authority shall be prominently displayed by the Operator in such manner that it may be seen and come to the notice of all Occupants and Persons seeking Occupancy. Such certificate shall be nonassignable and nontransferable and shall be surrendered immediately to the Supervisor upon the cessation of business at the Hotel named or upon its sale or transfer.

**§279-7 Administration and Collection**

- A. The tax imposed by this article shall be administered and collected by the Supervisor or such other Town employee as he/she may designate by such means and in such manner as are other taxes which are now collected and administered or as otherwise provided by this article.
- B. The tax to be collected shall be stated and charged separately from the Rent and shown separately on any record thereof, at the time when the Occupancy is arranged or contracted for and charged for, and upon every evidence of Occupancy or any bill or statement of charges made for said Occupancy issued or delivered by the Operator, and the tax shall be paid by the Occupant to the Operator as trustee for and on account of the Town, and the Operator shall be liable for the collection thereof and for the tax. The Operator and any officer of any corporate Operator shall be personally liable for the tax collected or required to be collected under this article, and the Operator shall have the same right in respect to collecting the tax from the Occupant, or in respect to nonpayment of the tax by the Occupant, as if the tax were part of the Rent for the Occupancy payable at the time such tax shall become due and owing, including all rights of eviction, dispossession, repossession and enforcement of any innkeeper's lien that he/she may have in the event of nonpayment of the Rent by the Occupant; provided, however, that the Supervisor or employees or agents duly designated by him/her shall be joined as a party in any action or proceeding brought by the Operator to collect or enforce collection of the tax.
- C. The Supervisor may, whenever he/she deems it necessary for the proper enforcement of this article, provide by regulation that the Occupant shall file Returns and pay directly to the Supervisor the tax imposed at such times as Returns are required to be filed and payment made over by the Operator.
- D. The tax imposed by this article shall be paid upon any Occupancy on and after the Effective Date of this local law, although such Occupancy is had pursuant to a contract, lease or other arrangement made prior to such date. Where Rent is paid or charged or billed or falls due on either a weekly, monthly or other term basis, the Rent so paid, charged, billed or falling due

shall be subject to the tax herein imposed to the extent that it covers any portion of the period on and after the Effective Date of this local law. Where any tax has been paid hereunder upon any Rent which has been ascertained to be worthless, the Supervisor may, by regulation, provide for credit and/or refund of the amount of such tax upon application therefor as provided in **§279-13** of this article.

- E. For the purpose of the proper administration of this article and to prevent evasion of the tax hereby imposed, it shall be presumed that all Rents are subject to tax until the contrary is established, and the burden of proving that a Rent for Occupancy is not taxable hereunder shall be upon the Operator or Occupant. Where an Occupant claims exemption from the tax under the provisions of **§279-4** of this article, the Rent shall be deemed taxable hereunder unless:
- i. the Operator shall receive from the Occupant claiming such exemption a copy of a New York State sales tax exemption certificate; or
  - ii. unless the operator shall receive from the occupant claiming such exemption a certificate duly executed by an exempt corporation or association certifying that the occupant is its agent, representative, or employee, together with a certificate executed by the occupant that the occupancy is paid or to be paid by such exempt corporation or association, and is necessary or required in the course of or in connection with the occupant's duties as a representative of such corporation or association.

**§279-8           Records to be kept**

Every Operator shall keep records of every Occupancy and of all Rent paid, charged or due thereon and of the tax payable thereon, in such form as the Supervisor may by regulation require. Such records shall be available for inspection and examination at any time upon demand by the Supervisor or his/her duly authorized agent or employee and shall be preserved for a period of three years, except that the Supervisor may consent to their destruction within that period or may require that they be kept together.

**§279-9           Returns**

- A. Every Operator shall file with the Supervisor a Return of Occupancy and of Rents and of the taxes payable thereon for the three-month periods ending the last day of March, June, September and December on and after the Effective Date of this local law. Such Returns shall be filed within 20 days from the expiration of the period covered thereby. The Town Board may permit or require Returns to be made for other periods upon such dates as it may specify. If the Town Board deems it necessary in order to ensure the payment of the tax imposed by this article, it may require Returns to be made for shorter periods than those prescribed pursuant to the foregoing provisions of this section and upon such dates as it may specify.
- B. The forms of Return shall be prescribed by the Town Board and shall contain such information as it may deem necessary for the proper administration of this article. The Supervisor may require amended Returns to be filed within 20 days after notice and to contain the information specified in the notice.
- C. If a Return required by this article is not filed, or if a Return is incorrectly filed or is insufficient on its face, the Supervisor shall take such steps as he/she deems necessary to enforce the filing of such Return or of a corrected Return.

**§279-10          Payment of tax**

At the time of filing a Return of Occupancy and of Rents, each Operator shall pay to the Supervisor the taxes imposed by this article upon the Rents required to be included in such Return, as well as all other moneys collected by the Operator acting or purporting to act under the provisions of this article; even

though it be judicially determined that the tax collected is invalidly required to be filed, it shall be due from the Operator and payable to the Supervisor on the date prescribed herein for the filing of the Return for such period, without regard to whether a Return is filed or whether the Return which is filed correctly shows the amount of Rents and taxes due thereon. Where the Supervisor in his/her discretion deems it necessary to protect revenues to be obtained under this article, he/she may require any Operator required to collect the tax imposed by this article to file with him/her a bond, issued by a surety company authorized to transact business in this state and approved by the Superintendent of Insurance of this state as to solvency and responsibility, in such amount as the Supervisor may find to secure the payment of any tax and/or penalties and interest due or which may become due from such Operator. In the event that the Supervisor determines that an Operator is to file such bonds, he/she shall give notice to such Operator to that effect, specifying the amount of the bond required. The Operator shall file such bond within five days after the giving of such notice unless, within such five days, the Operator shall request in writing a hearing before the Supervisor at which the necessity, propriety and amount of the bond shall be determined by the Supervisor. Such determination shall be final and shall be complied with within 15 days after the giving of notices thereof. In lieu of such bond, securities approved by the Supervisor or cash in such amount as he/she may prescribe may be deposited with him/her, which shall be kept in the custody of the Supervisor, who may at any time, without notice of the depositor, apply them to any tax and/or interest or penalties due, and for that purpose the securities may be sold by him/her at public or private sale without notice to the depositor thereof.

#### **§279-11 Determination of Tax**

Any final determination of the amount of any tax payable hereunder shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by a proceeding under Article 78 of the Civil Practice Law and Rules if application therefor is made to the Supreme Court within thirty days after the giving of the notice of such final determination, provided, however, that any such proceeding under article 78 of the Civil Practice Law and Rules shall not be instituted unless:

- A. The amount of any tax sought to be reviewed, with such interest and penalties thereon as may be provided for by local law shall be first deposited and there is filed an undertaking, issued by a surety company authorized to transact business in this state and approved by the Superintendent of Insurance of this State as to solvency and responsibility, in such amount as a Justice of the Supreme Court shall approve to the effect that if such proceeding be dismissed or the tax confirmed the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding; or
- B. At the option of the petitioner such undertaking may be in a sum sufficient to cover the taxes, interests and penalties stated in such determination plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the petitioner shall not be required to pay such taxes, interest or penalties as a condition precedent to the application.

#### **§279-12 Disposition of Revenues**

All revenue resulting from the imposition of the tax under this article shall be paid into the treasury of the Town and shall be credited to and deposited in the general fund of the Town. Such revenues may be used for any lawful purpose.

#### **§279-13 Refunds**

- A. In the manner provided in this section, the Supervisor shall refund or credit, without interest, any tax penalty or interest erroneously, illegally or unconstitutionally collected or paid if application to the Supervisor for such refund shall be made within one year from the payment thereof. Whenever a refund is made by the Supervisor, he/she shall state his/her reason

therefor in writing. Such application may be made by the Occupant, Operator or other Person who has actually paid the tax. Such application may also be made by an Operator who has collected and paid over such tax to the Supervisor, provided that the application is made within one year of the payment to the Operator, but no actual refund of moneys shall be made to such Operator until it shall first establish to the satisfaction of the Supervisor, under such regulations as the Supervisor may prescribe, that it has repaid to the Occupant, or other person who has actually paid the tax, the amount for which the application for refund is made. The Supervisor may, in lieu of any refund required to be made, allow credit therefor on payments due or to become due from the applicant.

- B. Where any tax imposed hereunder shall have been erroneously, illegally or unconstitutionally collected and application for the refund thereof duly made to the Supervisor, and such Supervisor shall have made a determination denying such refund, such determination shall be reviewable by a proceeding under Article 78 of the Civil Practice Law and Rules, provided, however, that such proceeding is instituted within thirty days after the giving of the notice of such denial, that a final determination of tax due was not previously made, and that an undertaking is filed with the Supervisor in such amount and with such sureties as a Justice of the Supreme Court shall approve to the effect that if such proceeding be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.
- C. A Person shall not be entitled to a revision, refund or credit of a tax, interest or penalty which had been determined to be due pursuant to the provisions of § 279-16 of this article where it has had a hearing or an opportunity for a hearing, as provided in said section, or has failed to avail itself of the remedies therein provided. No refund or credit shall be made of a tax, interest or penalty paid after a determination by the Supervisor made pursuant to § 279-16 of this article unless it be found that such determination was erroneous, illegal or unconstitutional or otherwise improper by the Supervisor after a hearing or on his/her own motion or in a proceeding under Article 78 of the Civil Practice Law and Rules, pursuant to the provisions of said section, in which event refund or credit without interest shall be made of the tax, interest or penalty found to have been overpaid.

#### **§279-14 Reserves**

In cases where the Occupant or Operator has applied for a refund and has instituted a proceeding under Article 78 of the Civil Practice Law and Rules to review a determination adverse to him/her on his/her application for refund, the Supervisor shall have the option of crediting future tax payments to meet the cost of any settlements or judgments or, at his/her option, may, in the first instance, set up appropriate reserves to meet any decision adverse to the Town.

#### **§279-15 Remedies exclusive**

The remedies provided by §279-11 and §279-13 of this article shall be the exclusive remedies available to any Person for the review of tax liability imposed by this article, and no determination or proposed determination of tax or determination on any application for refund shall be enjoined or reviewed by an action for declaratory judgment, an action for money had and received or by any action or proceeding other than a proceeding in a nature of a certiorari proceeding under Article 78 of the Civil Practice Law and Rules; provided, however, that a taxpayer may proceed by declaratory judgment if he/she institutes suit within 30 days after a deficiency assessment is made and pays the amount of the deficiency assessment to the Supervisor prior to the institution of such suit and posts a bond for costs as provided in §279-10 of this article.

**§279-16 Penalties and Interest**

- A. Any person failing to file a return or to pay or pay over any tax to the Supervisor within the time required by this article shall be subject to a penalty of 5% of the amount of tax due plus interest at the rate of 1% of such tax for each month of delay excepting the first month after such return was required to be filed or such tax became due. Such penalties and interest shall be paid and disposed of in the same manner as other revenues from this article. Unpaid penalties and interest may be enforced in the same manner as the tax imposed by this article.
- B. Any Operator or Occupant and any officer of an Operator or Occupant failing to file a Return required by this article, or filing or causing to be filed or making or causing to be made or giving or causing to be given any Return, certificate, affidavit, representation, information, testimony or statement required or authorized by this article which is willfully false, and any Operator and any officer of a corporate Operator willfully failing to file a bond required to be filed pursuant to **§279-10** of this article, or failing to file a registration certificate and such data in connection therewith as the Supervisor may by regulation or otherwise require, or failing to display or surrender the certificate of authority as required by this article or assigning or transferring such certificate of authority; and any Operator or any officer of a corporate Operator willfully failing to charge separately from the Rent the tax herein imposed or willfully failing to state such tax separately on any evidence of Occupancy and on any bill or statement or receipt of Rent issue or employed by the Operator or willfully failing or refusing to collect such tax from the Occupant; any Operator or any officer of a corporate Operator who shall refer or cause reference to be made to this tax in a form or manner other than that required by this article, and any such Person or Operator failing to keep records required by this article, shall, in addition to the penalties herein or elsewhere prescribed, be guilty of a misdemeanor, punishable by a fine of up to \$1,000, imprisonment for not more than one year, or both such fine and imprisonment. Officers of a corporate Operator shall be personally liable for the tax collected or required to be collected by such corporation under this article and penalties and interest thereon and subject to the fines and imprisonment herein authorized.
- C. The certificate of the Supervisor to the effect that a tax has not been paid, that a Return, bond or registration certificate has not been filed or that information has not been supplied pursuant to the provisions of this article shall be presumptive evidence thereof.

**§279-17 Returns to be secret**

It shall be unlawful, except in accordance with proper judicial order or as otherwise provided to the fullest extent permitted by law, for the Supervisor or employee or designee of the Supervisor to divulge or make known in any manner the Rents or other information relating to the business of a taxpayer contained in any Return required under this article. The officers charged with the custody of such Returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the Supervisor in an action or proceeding under the provisions of this article or on behalf of any party to any action or proceeding under the provisions of this article when the Returns or facts shown thereby are directly involved in such action or proceeding, in either of which events the court may require the production of, and may admit in evidence, so much of said Returns or of the facts shown thereby as are pertinent to the action or proceeding and no more. Nothing herein shall be construed to prohibit the delivery to a taxpayer or his/her duly authorized representative of a certified copy of any Return filed in connection with his/her tax nor to prohibit the publication of statistics so classified to prevent the identification of particular Returns and items thereof or the inspection by the Town Attorney or other legal representatives of the Town or by the District Attorney of any county of the Return of any taxpayer who shall bring action to set aside or review the tax based thereon, or against whom an action or proceeding has been instituted

for the collection of a tax or penalty. Returns shall be preserved for three years and thereafter until the Supervisor permits them to be destroyed.

**§279-18 Notices and limitations of time**

- A. Any notice authorized or required under the provisions of this article may be given to the Person to whom it is intended in a postpaid envelope addressed to such Person at the address given in the last Return filed by him/her pursuant to the provisions of this article or in any application made by him/her or, if no Return has been filed or application made, then to such address as may be obtainable. The mailing of such notice shall be presumptive evidence of the receipt of the same by the Person to who addressed. Any period of time which is determined according to the provisions of this article by the giving of notice shall commence five days after the date of mailing of such notice.
- B. The provisions of the Civil Practice Law and Rules or any other law relative to limitations of time for the enforcement of a civil remedy shall not apply to any proceeding or action taken by the Town to levy, appraise, assess, determine or enforce the collection of any tax or penalty provided by this article. However, except in the case of a willfully false, fraudulent Return with intent to evade the tax, no assessment of additional tax shall be made after the expiration of more than three years from the date of filing of a Return; provided, however, that where no return has been filed as provided by law, the tax may be assessed at any time.
- C. Where, before expiration of the period prescribed herein for the assessment of an additional tax, a taxpayer has consented in writing that such period be extended, the amount of such additional tax due may be determined at any time within such extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period.

**§279-19 Proceedings to recover tax**

Whenever any Operator, any officer of a corporate Operator, any Occupant, or other person fails to collect and pay over any tax and/or penalty or interest as imposed by this article, the Town Attorney shall, at the request of the Town Board, bring or cause to be brought an action to enforce the payment of the same on behalf of the Town in any court of the State of New York or of any other state or of the United States. If, however, the Supervisor believes that any such Operator, officer, Occupant, or other person is about to cease business, leave the state, or remove or dissipate the assets out of which the tax or penalties might be satisfied, and that any such tax or penalty will not be paid when due, such tax or penalty may be declared to be immediately due and payable, and the Supervisor may issue a warrant immediately.

**§279-20 General Powers of Supervisor pursuant to this Article**

In addition to the powers granted in this article, the Supervisor is hereby authorized and empowered to:

- D. The officers who serve the summons or subpoena of the Supervisor and witnesses attending in response thereto shall be entitled to the same fees as are allowed to officers and witnesses in civil cases in courts of record, except as herein provided otherwise. Such officers shall be the Town of Woodbury Police, or any officers or employees of the Supervisor's office designated to serve such process.

**§279-22 Accounting and Reporting of Tax**

From time to time, but no less than quarterly each year, the Supervisor shall provide a report to the Town Board, for its audit and review, of all actions taken pursuant to this Chapter.
