

Woodbury Residents,

The weather has been excessively hot and oppressive, and we want to assist residents who are having some challenges at home with the extreme temperatures.

Starting tomorrow, July 28th, 2020 the Community Center will open to Woodbury residents as a cooling off station. Please note:

- ❖ Community Center will be open Monday through Friday.
- ❖ Hours open to residents will be from 11:00 AM to 3:00 PM.
- ❖ Masks must be worn.
- ❖ Water will be provided.

I hope this little reprieve can be of service to some of you.
Please continue to stay safe.

Thank you,
Frank J. Palermo
Supervisor, Town of Woodbury
