1. Presentation – Eagle Scout Service Project Proposal:

A project proposal was submitted by Daniel Simons to build a dock at Earl’s Reservoir at the unimproved boat launch area. The dock would benefit residents of the park by allowing them easier and safer access to the lake when launching canoes, kayaks, etc. He will be assisted by approximately 15 individuals which will include other scouts, family members and friends. The Parks Department has agreed to provide some specialized labor and equipment for moving the dock into position. He will be raising funds for this project by soliciting organizations in Town such as the Lions Club and Community Association. If necessary, he is prepared to do additional fundraising like car washes or bake sales. The Board discussed the project in detail with Mr. Simons and some of his troop leaders/members. Motion was then offered by Councilman Palermo, seconded by Councilman Arone, to approve the project as proposed.
