

Dear Woodbury Residents,

TOWN POOL BOND APPROVED BY COMMUNITY!

We would like to take a moment to thank everyone who came out to vote on the bond to build our new John P Burke Memorial pool.

This pool prompted passionate discussion that engaged many within the community, challenged the Board, and led to a community vote! This is true Democracy and we appreciate ALL who voted.

Personally, there is much to be learned from this process. In this moment, we are thankful that our community spoke clearly and approved the construction of a beautiful, new pool to last for decades to come!

We would like to say a special thank you to past and present Town Board members, Parks and Rec Director, Parks Committee members, our awesome Gatekeepers, Building and Grounds Crew, Pool and Town Engineers, Town Clerk, Supervisor Clerk, Accountants, Assessors Office, Town Dept heads, and most importantly, Woodbury residents who voted YES to the pool bond!

Congratulations to all as we look forward to getting started!

Best Regards,
The Woodbury Town Board
