RE: Continued Representation of the Town of Woodbury for 2020

Dear Supervisor Palermo and Town Board Members:

I would like to take this opportunity, on behalf of the firm, to thank the Board for the confidence it has shown in our counsel by remaining a loyal client. Members of this firm have represented the Town of Woodbury for more than twenty-five years, and together we have had some great successes. The firm values its long-standing relationship with the Town and wishes that it continues for many years to come.

Also, please let this letter formally state the firm's interest in continuing to act as Town Counsel and Litigation Counsel in 2020. I reviewed the past retainer agreements between the firm and the Town, and found that the firm has been charging the Town the same hourly fee since 2014. As such, the firm proposes to continue to perform services for the Town at the hourly rate of \$225 per hour.

We are ready, willing and able to assist the Town with its legal needs and to provide counsel to the Town in whatever capacity we are needed.

Thank you again. We look forward to continuing to work with the Town in 2020 and beyond.

Very truly yours,

JOSEPH G. MCKAY
