The bid notice was printed in the Times Herald Record on May 24, 2019 and the bid opening was held on June 14, 2019 at 10AM. The following bids were received:

H Reynolds and Sons, Central Valley, NY -

- 1) They will deduct \$0.20 per gallon off of the current selling price (which is \$3.149)
- 2) They will offer a capped price lock when details are available
- 3) They will not charge any sales or petroleum tax
- 4) They will supply 24 hour oil/service as per their service agreement at no additional cost
- 5) They provided a copy of their contract pricing and the bid stated an additional \$0.20 per gallon discount will be given for the following facilities: Police Station, CV Library, Town Hall and Animal Shelter

NOTE - in the past there was no charge for the service contract, they provided it for free as part of their bid. This bid as submitted did not specifically address this. I telephoned the company and they stated there is no charge for the service contract and each location would qualify for Contact #B at no additional costs.

- 6) For the Police Station only they will cover all labor on boiler units but, since this the boilers are commercial, they cannot supply the materials but they will be billed at cost. The hot water heater is completely covered
