Since we have sold the 2005 Chevrolet Tahoe on Absolute Auctions & Realty, Joe Gianzero has requested that it be included in the budget and be used to increase the appropriation for Vehicle Maintenance.

Increase: A2665 Sale of Equipment	\$2,100
Increase: A1620.452 Vehicle Maintenance	\$2,100

When O&R attempted to install a smart meter at Earl Reservoir, Joe Gianzero was told that it could not be done since the existing very old service needed to be replaced. DeGeorge/Brady Electric replaced the box at the maintenance garage and installed a 200-amp service with a new panel in the garage.

In addition, DLux installed underground conduit for future lighting at the soccer field.

A budget modification reducing the appropriation for Earl Reservoir Dam Repair and increasing the appropriation for Electric Work will provide the amount needed to cover the bills for both jobs.

Increase: A1620.412 Electrical Work	\$7,000
Decrease: A1620.419 Earl Reservoir Dam Repair	\$7,000
